

## MATH WORKSHOP: OCTOBER 27, 2012

Mathematics faculty of S.V. attended the workshop on '**CONCEPT BUILDING AND MATH –A –MAGIC**' at Zen School on 27<sup>th</sup> October 2012 organized by the 'Orient Black Swan' publication. The Resource person, Mr. Champaknath Attavar, mainly dealt with **CONCEPT BUILDING** at Primary School level. He also emphasized on the use of teaching aids to make the classroom interactive. There was a good brainstorming session on classroom activities. The entire group of participants agreed on the need to drill the basic concepts. It was primarily an exchange of ideas. Math faculty members of S.V. left an impressionable mark during the sharing session.
